Good morning 2015 TKO Amateur Riders,

After a very busy season here at the Trial Training Center, the **2015 KENDA Tennessee KnockOut** is finally here. We are looking forward to seeing you here in a few days' time.

Row assignment letters were sent to all amateur riders yesterday afternoon and this morning. If you did not get an e-mail with your row assignment, it's because your message came back to me as undeliverable.

Last week you should have received a copy of the rider documents, but if you didn't you can find them on the TKO website. You can find a full rider and row assignment list on the website.

**Remember, you must have a current AMA card when you check in at the green shop in order to ride this event!!**

SRT representatives will be here at the TKO site with **Kenda** tires available for purchase at this year's **Kenda Tennessee Knock Out**, including the Equilibrium tire that many riders have purchased to ride this event.

We are very excited about this **2015 KENDA TKO** and look forward to seeing all of the riders and spectators here next weekend.

If you have any questions regarding the event or if I can be of further assistance, please let me know.
